Your legacy will save lives

Through a legacy gift to Women's Place, you can leave your own mark by helping us create a community without domestic violence.

"My dream couldn't have been fulfilled without that initial support Women's Place gave me, when it seemed my life was filled with hopelessness." - Deborah Richards

How to leave your legacy

A gift in your Will to Women's Place is a simple way to leave your personal legacy.

A Will is the easiest and most effective way to ensure that you fully provide for your family and that your assets are distributed according to your wishes.

How to Leave a Gift in Your Will

To leave a portion of your estate to help end violence in Niagara, the following words can be used:

"I give the sum of _____ to Women's Place of South Niagara Inc. to be used for its general purposes as Women's Place of South Niagara Inc. sees fit.

While we appreciate being notified of a gift in your Will, you do not have to share the details with us.

Please note, there are other forms of legacy gifts. We suggest you contact and work with your financial advisor or lawyer who can help you plan a legacy gift that fits best with your wishes.
